

# Diversified Silicone Products, Inc.

13937 Rosecrans Avenue

Santa Fe Springs, CA 90670

Tel: (562) 404-8942 Fax: (562) 404-1323

## Material Safety Data Sheet

### 1. PRODUCT INFORMATION

Trade Name: Silicone Foam  
Code Number: DSP0018 & DSP1248  
Product Use: Variable Density Silicone Foam

### 2. HAZARDOUS INGREDIENTS

Non hazardous

### 3. PHYSICAL DATA

Appearance: White or Grey flexible foam      Odor: Negligible  
Specific Gravity: 80 kg/m<sup>3</sup> to 220 kg/m<sup>3</sup>      Solubility in water: Negligible

### 4. FIRE OR EXPLOSION HAZARD

Flash Point: Not applicable  
Means of Extinction: All Standard fire fighting media.  
Conditions of Flammability: Non flammable. Decomposes under extremely high heat.  
Hazardous Decomposition Products: Negligible levels of oxides of carbon

### 5. TOXICOLOGICAL PROPERTIES

Routes of Entry: Not applicable  
Acute Exposure Effects: Not applicable  
Chronic Exposure Effects: Not applicable

### 6. FIRST AID MEASURES

Inhalation: Not applicable  
Skin Contact: Not applicable  
Eye Contact: Generally not applicable due to physical form  
Ingestion: Not for internal use

### 7. REACTIVITY DATA

Stability Conditions: Stable under normal conditions of use  
Incompatible Classes: Not applicable

### 8. PREVENTIVE MEASURES

Personal Protective Equipment:  
Eyes: Generally not required.  
Skin: Generally not required.  
Respiration: Not applicable  
Engineering Controls: Not applicable  
Spills or leaks: Not applicable  
Waste disposal: Non hazardous waste regulations for storage, transportation and disposal apply. Dispose in landfill according to regulations.  
Handling: No special requirements.  
Storage: Store under normal warehouse conditions.
